Mr. Malabar

Respected Your Excellency,

I have the honour to bring the following few lines for your kind consideration & favourable orders.

I am native of Alamunganeri village near Palayamcottah. I belong to a poor family & my father died in the year 1952. My mother Thangathayammal is aged 60 years old My only sister Miss Pattammal is blind & aged 25 years. For want of money & proper treatment my mother ha become very sick after my fathers death. Some of neighbours are taking advantage of this & approaching my blind sister for bad purposes. Due to the blindness my sister is not able resist them & look after herself. There is no friends or relations for us to help my mother and blind sister. If proper care is not given to my sister now she may perhaps go astray and suffer much in this life

My Mother and sister are staying in Subramaniyapuram, Tirchendur Taluk Tirunelveliy Dist. I was convicted for 20 years on 12-8-49. By the session Judge Chengalpett: Immediately after my arrest I gave a statement in the court and this has been corroborated by the P.W.s & accepted by the learned Judge and assessors without any dispute. As far as I am concerned I am quite innocent in this case and my part in this offence is not a pre, Arranged one, Everything happened Suddenly I was not in my senses at that time of the offence. My Courage failed hence I could not oppose the A-1. Further I was more worried about my life at that moment only due to the fear of my life I did what I have stated in the Court. Further I am not benifited in this Crime except the 20 years R.I.. I. now suffer. on a careful consideration of all the Circumstances of the offence Particularly in para 19, 21, 24 & 26 Clearly shows that the part taken by me

P.T.O.

is only under the influence of the first accused
I was completely out of my senses at the time of
Crime. I have repented the Crime. I have done
I have no peaceful sleep + that present position
of my mother + sister makes me cry every often.
My ignorance and not having Courage to oppose A.1
for I were the Causes for my present Sufferings
In the above circumstances I request your honour
to kindly order to release me to enable me to
help my mother + sister for which act of kindness
I shall ever remain grateful to your honour
Thanking you in anticipation of
receiving favourable orders

Yours faithfully
A.P. Rajapakshe

PETITION FROM CONVICT.

~~PETITION ON BEHALF OF CONVICT.~~

Prisoners - Remission of sentence - Central Jail, Cannanore - Convict no. 11682, Rajapandia Nadar.

From the Inspector-General of Prisons, No. 4775/54/54 dated 15.11.54.
submitting an application for remission of sentence from/~~on~~ ~~on behalf of~~
Conviet No 11682, Rajapandia Nadar confined in the Central Jail Cannanore.

Name of Convict	11682, Rajapandia Nadar. (f 2)
Offence of which convicted	Sec. 302 I.P.C.
Adjudicating Court	Sessions Judge, Chingleput. S.C. no. 28/49.
Sentence imposed	Transportation for life.
Date of sentence	12. 8. 49.
Appellate Court	Declined to appeal
Result of appeal	
Previous convictions	
Date of completion of ~~3/4ths or~~ 2/3rds of sentence.	8. 9. 1960.
Period spent in Jail	5 years and 3 months

The prisoner was sentenced on 12.8.49 to transportation for life for having caused the death of one Loganathan. There were two accused in this case and the principal offender A1 was sentenced to death. The prisoner declined to appeal. The motive for the murder was for the sake of petty gain

2. The J.G. of Prisons has forwarded to Govt. petition from the prisoner in which he has stated that he is innocent and committed the offence under the influence of the first accused. He has also stated that there is none to support his aged mother and blind sister who is approached by people with evil intention. He has repented for the offence and has requested that he may be released prematurely.

3. The prisoner is aged 30 years and was a merchant prior to conviction. He has remained in jail for 5 years and 3 months and the unexpired portion of sentence is about 10 years and 3 months. He will be completing 2/3rd sentence on 8.9.60.

4. It has been decided that when a prisoner or some one on his behalf presents a petition for premature release, such case can be considered on its merits notwithstanding the recent orders regarding the eligibility of premature release of A prisoners under the Advisory Board scheme. It will be seen from the judgment of the Sessions Judge that the prisoner acted as a tool and under the influence of the 1st accused who procured the participation of the prisoner in the commission of the offence making use of his influence over him as he was his Assistant Driver.

For orders.

24/11/54.

Q. When will he be eligible for Adv. Bd release if the sht remission is taken into account. 29/11/54

P.T.O.

Ref A.S's query at p2 above.

The prisoner was sentenced to transportation for life on 12.8.'49 and he would have earned a special remission of 15 days for 1949. In 1950 he would have earned a special remission of 3 years and 4 months. If the special remissions are taken into account, he will be completing 2/3rd sentence on 23.4.57.

3/12/54. 4.12.54

May be rejected

PS 4.12.54

The facts stated in the petition even if true are not relevant on the question of premature release. The nature of the crime does not entitle the prisoner to any special consideration. There are no grounds for taking the case of this prisoner out of its turn. Hence the petition is rejected
